STUDENT FEEDBACK ANALYSIS REPORT

FOR THE ACADEMIC YEAR 2021-2022

OBJECTIVE OF FEEDBACK

The institution aims to offer the best possible environment and learning experience to encourage student to perform to their full potential for academic achievement.

Stakeholders i.e., students, teachers, employers play an important role in the college development and enhancement of quality.

So, the institution collects feedback from all the stake holder's i.e., students, teachers, employers and alumni every academic year on performance and ambience to evaluate its service policies can be revised and to make changes as per stakeholder's requirements.

STUDENT'S FEEDBACK ON ACADEMIC PERFORMANCE:

The student's feedback on curriculum, arrangement and environment is designed to get formative feedback from students that can be used towards the improvement in the quality of course design and delivery, as well as student facilities.

In the session 2021-2022 the college collected the feedback from around 145 students of different streams. The data is analysed and their suggestions are considered for possible incorporation in the academic performance.

ANALYSIS:

The student's feedback on academic performance was taken from the students of B. Pharmacy, Pharm D (including Pharm D P.B), M Pharmacy (Pharmaceutics, Pharmaceutical analysis, Pharmacology) at the end of academic year.
