ACTION TAKEN REPORT OF TEACHER FEEDBACK

FOR THE ACADEMIC YEAR 2021-2022

Our Nirmala College of Pharmacy is affiliated to ANU, Guntur and follows the norms and implements the infrastructure from time to time. The institution prepares feedback on academic performance by taking suggestions and remarks from the college institution authority through conducting meeting with the Principal and Head of the Departments.

Taking in to Consideration of every response of the feedback given by the employees and Created an action plan that starts with visible change. Their suggestions are inspired the management and helped on how we could build on these positively.

Based on feedback requirement, institution plans as follows:

- To reinforce positive elements / qualities that of culture, values, attitudes and create a positive institution culture by setting the consistent discipline.
- To provide awareness on Publications/patents/contributing book chapter/writing books, etc.,

The suggestions and remarks about the curriculum are conveyed to the Principal and the same will be communicated to the University authorities.

ATAL FDP "NANO FURTHERANCE OF PHARMACEUTICAL ENGINEERING: AN INDUSTRIAL PERCEIVE"

Title: AICTE Sponsored ATAL FDP "Nano Furtherance Of Pharmaceutical Engineering: An Industrial Perceive"

AICTE SPONSORED ATAL FDP "Nano Furtherance of Pharmaceutical Engineering: An Industrial Perceive"

21st to 25th June, 2021

BROCHURE

ANNOUNCEMENT AICTE ONLINE FACULTY DEVELOPMENT PROGRAMME (FDP) ON "NANO FURTHERANCE OF PHARMACEUTICAL ENGINEERING: AN INDUSTRIAL PERCEIVE" 21 st to 25 th June 2021	SCOPE AND OBJECTIVES Pharmaceutical engineering covers all parts of drug manufacturing, from designing a new facility to optimizing manufacturing processes and perfecting packaging solutions. This FDP provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Pharmaceutical Engineering. The current program also deals with the advanced technologies in the field of Nano Particulate dosage forms in Pharmaceutical industries which extends the growth in formulating new medicines thereby promoting healthcare. The FDP is intended to expose the latest machines and technologies used during the different pharmaceutical manufacturing stages, raw materials suppliers, regional manufacturers, contract manufacturers and more. There are many scopes on advanced materials and instruments for future research work. Hence, a FDP is proposed to address key scientific challenges in the field of industrial pharmaceutical engineering. The FDP is intended to uncover and better learning the participants to advancement of pharmaceutical engineering & technologies from the domain experts.	ABOUT THE COLLEGE Nirmala College of Pharmacy (NCPA) is a Catholic Minority Institution established and administered by the Society of Catechist Sisters of St. Ann, Hyderabad, under article 30(1) according to the constitution of India. Nirmala College of Pharmacy (NCPA) was established in the year 2004 by the Congregation (Society) of Catechist Sisters of ST. ANN, Hyderabad is offering Diploma and U.G. in Pharmaceutical Sciences with English as of medium of instruction. The institute has been affiliated with Acharya Nagarjuna University (Guntur), approved by UGC, All India Council of Technical Education (AICTE) and Pharmacy Council of India (PCI), New Delhi. The college houses a voluminous library; classrooms with multimedia facilities, well equipped laboratories, modern Computer and Language labs. The college has its own sophisticated instruments center for the characterization Pharmaceuticals.
SPONSORED BY AICTE TRAINING AND LEARNING (ATAL) ACADEMY   ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE) MINISTRY OF EDUCATION GOVERNMENT OF INDIA	THE CONTENTS The topics will inculcate: <ul style="list-style-type: none">Diverse pharmaceutical engineering equipments employed for the nano particulate formulations and novel drug delivery systems.Recent innovations in terms of equipment used for formulations of nano particles.Role of artificial intelligence in modernization of pharmaceutical engineering equipment.Recent advances in equipment used for Pharmaceutical packaging of nano products.Regulatory aspects regarding the designing of equipments.	TARGET AUDIENCE Teachers, Researchers and Students from Academic, Industry and researcher from R&D sector. RESOURCE PERSONS Experts from NIPERs, IITs and other reputed institutions and industries will handle the sessions. HOW TO APPLY No registration fee for participant from AICTE approved institute. The FDP is open to faculties and researchers in Pharmaceutical/ Chemical Engineering specialization. The interested participants are requested to complete the online registration formalities @ https://atalacademy.aicte-india.org .

BROCHURE RELEASE

Media news about brochure release of ATAL FDP

Date: 21-06-2021 to 25-06-2021

Outcome of the Session:

The Resource persons about 14 members are explained about Nanotechnology used in Pharmaceutical industry, what is Nano Pharmaceutical, what are the limitations of Nano Technology in Medicine, what is the future of Nanotechnology in Medicine, why in Nanotechnology important in Medicine, Nano Sponges, Nano herbal formulations, etc., A total of number of 50 faculty members are participated though out india.

ACTION TAKEN REPORT OF TEACHER FEEDBACK **FOR THE ACADEMIC YEAR 2019-2020**

The Nirmala College of Pharmacy is affiliated to ANU, Guntur and follows the norms and implements the infrastructure from time to time. The institution prepares feedback on academic performance by taking suggestions and remarks from the college institution authority through conducting meeting with the Principal and Head of the Departments.

Taking in to Consideration of every response of the feedback given by the employees and Created an action plan that starts with visible change. Their suggestions are inspired the management, and helped on how we could build on these positively.

Based on feedback requirement, institution plan:

- To build links and communicate their individual role in the institution.
- To promote the trust in the institution
- To appreciate for their contribution.
- To maintain the authentic relationship.

Required suggestions and remarks about curriculum are conveyed by Principal to institution authorities during meeting in the institution authority.

ACTION TAKEN REPORT OF TEACHER FEEDBACK FOR THE ACADEMIC YEAR 2018-2019

Our Nirmala College of Pharmacy is affiliated to ANU, Guntur and follows the norms and implement the infrastructure from time to time. The institution prepares feedback on academic performance by taking suggestions and remarks from the college institution authority through conducting meeting with the Principal and Head of the Departments.

Taking in to Consideration of every response of the feedback given by the employees and Created an action plan that starts with visible change. Their suggestions are inspired the management, and helped on how we could build on these positively.

Based on feedback requirement, institution plan as follows:

- To see the availability of the individual and entrust the work
- To identify and encourage the employees who're ready for the next step in their career.
- To help to personalize their professional and personal goals.
- Create a plan for before, during and after.
- To focus on applying project proposal to the funding agencies.

Required suggestions and remarks about curriculum are conveyed by Principal to institution authorities during meeting in the institution authority.

ACTION TAKEN REPORT OF TEACHER FEEDBACK

FOR THE ACADEMIC YEAR 2017-2018

The Nirmala College of Pharmacy is affiliated to ANU, Guntur and follows the norms and implements the infrastructure from time to time. The institution prepares feedback on academic performance by taking suggestions and remarks from the college institution authority through conducting meeting with the Principal and Head of the Departments.

We are taking in to Consideration of every response of the feedback given by the employees and Created an action plan that starts with visible change. Their suggestions are inspired the management, and helped on how we could build on these positively.

Based on feedback requirement, institution plan:

- To identify the aspects which are toxic and which are positive of the institution that improves the atmosphere and culture.
- To inculcate the research culture.
- To build the co-ordination in between the staff and departments in the institution, human value staff development programmes were organised to faculty to develop coordination process

Required suggestions and remarks about curriculum are conveyed by Principal to institution authorities during meeting in the institution authority.
