Dear Gowthami:

The Campbell University Master of Science in Pharmaceutical Sciences Admissions Committee has met to review your application. Based on the recommendation of the committee, I am pleased to announce you have been granted **full acceptance** to the **Industrial Pharmacy track** in the Pharmaceutical Sciences program, for fall 2017, pending the completion of your undergraduate degree and the submission of all official transcripts and require test scores. We trust you will prosper from this great opportunity. Your enrollment in the MSPS Program will commence in **August 2017**.

If you wish to accept this offer of admission and reserve your seat, we must receive a **\$750 non-refundable deposit by February 20, 2017**. This deposit is **required prior to issuing your I-20**. You may pay by VISA or MasterCard by visiting our [online payment center](#). You will need to enter your student ID number (**1095571**) in order to make the online payment. The funds from your deposit are applied/credited towards your first tuition bill. If you need to pay using a different payment method, please contact the admissions office for instructions.

Once we receive your tuition deposit of \$750, we will begin processing your **I-20**. When the process is complete, we will mail your I-20 to you **no more than 90 days** prior to the projected first day of class. You will need to take the I-20, along with this letter, to the United States Consulate in your country to obtain your student visa. There may be other forms the consulate will need to review as well, so it is beneficial to contact that office prior to your visa interview in order to verify what else may be required.

Prior to your arrival at Campbell University, **you will need to make your own housing and transportation arrangements**, as university sponsored housing is not available on the main campus. The Office of Student Life can help you coordinate transportation from the airport. You may contact them at 910-814-4757.

The Fall 2017/Spring 2018 tuition for this program is \$800 per credit hour. Plan to take anywhere from 7-12 credit hours per semester and a total between 37-44 credit hours over the two years of the master's program. You will be required to complete all prerequisite courses and program requirements prior to graduating. Upon acceptance, you are eligible for [scholarships and awards](#), but please be advised none of these opportunities count as a tuition waiver. **All financial obligations are the responsibility of the student.**

There are two important items we need to bring to your attention **upon your arrival to the University**:
