REPORT ON THE PROGRAM

TITLE: Goal setting for Better life

DATE: 14-11-2018

RESOURCE PERSON: Mr. G N Prasad

NO OF FACULTY ATTENDED: 30

OUTCOME OF THE PROGRAM:

Sri. G. N.Prasad, Resource Person has explained all the staff very clearly about the importance of Goal setting. By having clear goals, staff become aware of precisely what they want to achieve and how to go about doing it. Everyone are able to more accurately assess and measure their ability to accomplish the goals and most importantly, they should have a plan that can guide them along the way and keep them on track. Why is goal setting so important in life? Setting goals helps trigger new behaviors, helps guides your focus and helps you sustain that momentum in life.

Goals also help align your focus and promote a sense of self-mastery. In the end, you can't manage what you don't measure and you can't improve upon something that you don't properly manage. All these objectives have been clearly stated.
