Report of Soft Skill Training programme:

- In this training programme a total number of 104 students has been participated which was organized by Mahindra and Mahindra – NAANDI foundation. It is a 6 days training and certificate programme. At the end of the soft skill training programme certificates are issued to all students those who maintained 80% attendance and best performer certificates are also issued to the students selected by the trainers those who performed well.
- The soft skill certificate programme has been provided with strong practical orientation to the students and helped them in building and improving their skills in communication, the effective use of English, business correspondence, presentations, team building, leadership, time management, group discussions, interview skills, life skills, inter- personal skills and employability skills.

On completion of course, students will be able to:

- Effectively communicate through verbal/oral communication and improve the listening skills
- Write precise briefs or reports and technical documents
- Actively participate in group discussion / meetings / interviews and prepare & deliver presentations
- Become more effective individual through goal/target setting, self motivation and practicing creative thinking.
- Function effectively in multi-disciplinary and heterogeneous teams through the knowledge of the work, Inter-personal relationships, conflict management and leadership quality.
