REMEDIAL CLASSES

OBJECTIVES

Students with learning difficulties have the same psychological needs and characteristics as other students. some of them are as follows:

1. Less ability to organize their perceptions
2. Less ability to comprehend, abstract ideas and concepts
3. Poor memory
4. Poor level of motivation
5. Short span of attention in work situations
6. Associated behavioural problems
7. Encounters of failure they tend to have low expectations of themselves and, also have low aspirations.
8. Parents background of the student
9. The pupil's peer groups
10. Telugu medium background.

The ultimate aim of remedial teaching is to help pupils who have fallen behind to learn to the best of their ability and to bring them back into the mainstream classes as far as possible.

REPORT ON REMEDIAL CLASSES:

The Remedial classes are conducted in the year 2021-22 for slow learners apart from regular time table to enhance the learning ability, knowledge and to improve the pass percentage of students. In this context a total of 18 students are identified as slow learners by the class in charges of I yr students based upon the internal marks, performance in labs, regular attendance percentage, language background, etc.,

A separate time table is prepared and conducted to the identified slow learner's day wise in each subject. Monday to Saturday 6 subjects of their 1st semester special classes are conducted during the time 3:30 PM – 4:30 PM.

Upon conduct of these remedial classes student's improvement has been identified and it was observed in their 2nd internal examinations and also final semester end examinations.
