

## **NIRMALA COLLEGE OF PHARMACY**

**Atmakur, Mangalagiri, Guntur (Dt), Andhra Pradesh, India**

### **7.3.1- Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words.**

**Quality Consciousness:** In the present scenario, academic excellence and quality education are very important aspects in a person's growth because they are means for social transformation and growth. To empower students through knowledge and relevant information on Pharmaceutical sciences. Hence our intuition shall strive to provide quality education.

**Integral Development:** To produce Pharmacists who can lead extraordinary life in pursuit of truth, personal integrity, ethical behaviour and care for others. We provide the opportunities and organize programs workshops and seminars that will help them to develop in all spheres: spiritual, moral, cultural, intellectual, literary, emotional and physical development of the students. Pay attention to every aspect of human formation especially of the heart, so that the pupils are formed into balanced, mature and integrated persons who can positively influence the society and care for the environment.

**Social Responsibility:** Education aims at transforming a child into a socially committed citizen of the country. In the changed circumstances of today, our educational endeavours should aim at transforming the whole nation, especially the underprivileged. To make education a means of social change, we shall

prepare our students for critical analytical thinking in order to alleviate poverty, illiteracy, unemployment and social evils.

**Protection of Eco-system:** The institution shall promote a culture of life and protection of environment such as preservation and maintenance of greenery, conservation of water and energy.
